# LL.M.

The LL.M. is offered under the aegis of Centre for Post Graduate Legal Studies (CPGLS). CPGLS is established to offer interdisciplinary learning and research facilities in Law by fostering a vibrant intellectual space with top-tier Faculty committed to deliver exceptional legal training of international caliber.

The Programme blends hands-on training with real life scenarios, experiential learning through case-based simulations and in-depth practical training. The participants will cultivate a forward-thinking perspective, build strategic partnerships and leverage professional connections to optimize business performance.

## Nature of LL.M.

The LL.M. programme at Shri Vishwakarma Skill University is designed to move beyond conventional legal education by offering a dynamic, practice-oriented and future-focused academic experience. It combines doctrinal legal knowledge with interdisciplinary exposure, ensuring that graduates are equipped to operate effectively in complex and evolving legal environments.

At its core, the programme emphasizes a balanced integration of theory, application, and professional skill-building, enabling learners to transition seamlessly from academic study to real-world legal practice.

## Integrated legal approach

Leveraging international legal standards, navigating the regulatory environment and integrating traditional legal principles via a robust and adaptive strategy.

The programme encompasses core legal subjects while introducing niche and emerging areas of law such as Aviation Law and Competition Law. These specialized offerings distinguish the programme from traditional LL.M. courses and allow students to gain expertise in high-demand and globally relevant legal domains.

The curriculum is carefully structured to ensure depth, flexibility, and specialization, empowering students to tailor their academic journey according to their career aspirations.

## Strategic direction and operational leadership

The LL.M. programme at Shri Vishwakarma Skill University builds strong capabilities in strategic thinking and operational leadership, enabling students to contribute effectively to decision-making in complex legal and organizational environments.

It integrates legal expertise with business strategy, helping learners understand the role of law in corporate governance, risk management, and policy implementation, while developing a holistic approach aligned with organizational goals and ethical compliance.

## Professional growth and skill enhancement

The programme focuses on legal practice management, continuous upskilling, and outcome-oriented development. It promotes reflective learning while training students to align legal counsel with corporate goals, ensuring practical, industry-ready expertise.

## Program Structure

The LL.M. Programme will be for a period of one academic year, consisting of two Semesters.
