

# INTRODUCTION ABOUT SVSU

In tune with the vision of a Skilled India, Government of Haryana has established Shri Vishwakarma Skill University (SVSU), first of its kind in India, in 2016 in village Dudhola in District Palwal, Haryana. The University is aimed at providing structured skill qualification Programmes, aligned with existing and emerging job roles in the industry and other sectors. The Programmes will be mapped with National Skill Qualifications Framework (NSQF) and National Credit Framework (NCrF) that will facilitate upward mobility of the students from Certification to Doctoral level. The University is built on 82.7 acres of land with a state-of-the-art infrastructure, at the Project Cost of about 980 Crores, having capacity to train 12,000 students per year, as part of its Master Plan.

## ABOUT PROGRAMME

Our Master of Business Administration (MBA) program for working professionals is tailored to enhance your skills and knowledge, empowering you to implement innovative strategies in your workplace. The curriculum is designed to provide real-world insights, equipping you with practical tools to drive productivity and success. By enrolling in this program, you'll gain new perspectives, stay abreast of industry trends, and develop leadership skills that can be directly applied in your professional life. We understand the demands of a working schedule, and our flexible program ensures minimal disruption to your career while maximizing your learning experience.

Investing in your education at Shri Vishwakarma Skill University will not only open doors to new opportunities but will also contribute significantly to your personal and professional growth. Join us in shaping a brighter and more successful future for yourself. Every semester will comprise of a project with a focus on different aspects of business followed by a Project dissertation in the last semester. The program also provides an opportunity to enroll in the reputed Doctoral Program in Management as per the regulations of UGC
