About Bachelor of Hotel Management (BHM)

Skill Department of Tourism & Hospitality offers “Bachelor of Hotel Management” program for the students who want to become hospitality professionals. It is an undergraduate degree program designed to provide students with comprehensive knowledge and skills required for a career in the hospitality industry, particularly in hotel management. This program typically covers various aspects of hotel operations, including front office management, housekeeping, food and beverage management, event management, marketing, finance, and human resource management. One of the standout features of hotel management program is the emphasis on practical training with industry partners. Through internships, industry placements, and experiential learning opportunities, you'll gain valuable hands-on experience that prepares you for the demands of the industry. This real-world exposure not only enhances your skills but also allows you to build a professional network and gain insights into different facets of hotel operations. ***The program provides an opportunity to the students to choose the specialisation in the third year and provision of one full year paid On Job Training.*** This program offers a pathway to a fulfilling and dynamic career in the hospitality industry. Whether you aspire to manage a five-star hotel, plan extravagant events, or explore the world of culinary arts, embarking on this journey equips you with the skills, experiences, and opportunities to thrive in the exciting world of hospitality.

Career Opportunities:

The hospitality industry offers abundant opportunities for career advancement and growth. With a hotel management degree under your belt, you'll be well-positioned to pursue various career paths, including hotel management, food and beverage management, event planning, and tourism management. Moreover, as you gain experience and expertise, you'll have the chance to climb the ladder and take on roles with increased responsibility and remuneration. A hotel management program could be a gateway for rewarding and dynamic profession. **A few areas where students can make their career after completing hotel management program are Hotels, Retail Companies, Airlines, Banks, MNCs, Railway Catering, Cruise ships, Restaurants, Quick Service Restaurants, Theme parks, Movie Theatres, Sales, Real Estates and many more. In addition to the above-mentioned areas students can also start their own hotels, restaurants, eateries and other related services.**

Industry Partners:

Having strong industry partnerships is of paramount importance for a department or program focused on tourism and hospitality for many reasons like real-world exposure, skill development, networking opportunity, research and innovation, job placement and career advancements.
